

St Margaret's C of E Green Team Newsletter

Dear children and families,

This week, once again, we would like you to **focus on recycling and especially the 'Rethink' goal** when you do your shopping.

Rethink is all about thinking of alternatives to single-use plastic. How did our grandparents and parents live when they were younger when they did not have so many foods and toys wrapped in single use plastic?

This lockdown is a great time to think about what you and your family already do to reduce plastic in your homes.

Responsible Production and Consumption

Good swaps checklist

- * Take a cloth bag to the shops.
- * Take your own plastic containers for take-aways.
- * Carry a water bottle with you wherever you go. Avoid buying single-use plastic bottles.

Shout out to

Lara Al-B and Mustafa O from Year 3 for sending in your shopping list and tally tables.

Mariyah from 2SM- Your doll's house made from recycling was fantastic!
